## Office of Inspector General Audit Report: Review of the Hiawatha Corridor Light Rail Transit Project: Project Id: In- 2002-078

By -

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We publicly released our review of the status, cost, and completion schedule of the Hiawatha Corridor Light Rail Transit Project in Minneapolis, MN. We found that: The scheduled completion date of December 2004 and cost estimate of \$675.5 million are reasonable. However, tunnel construction, relocation of private utilities, and post-September 11 concerns about security could affect the project's schedule and costs. The project may encounter temporary cash flow shortfalls because costs are expected to exceed reimbursements during construction. In response to a recommendation in our June 2001 draft report, the sponsor's governing board adopted a cash flow management plan for the project.
