Gibran's Prophet speaks of many things central to daily life: love, marriage, death, beauty, passion, eating, work and play. The spiritual message he imparts, of finding divinity through love, blends eastern mysticism, religious faith and philosophy with simple advice. The Prophet became the bible of 1960s culture and was credited with founding the New Age movement, yet it still continues to inspire people around the world today. This edition is illustrated with Gibran's famous visionary paintings. 128 pp. Deutsch.
