Activists for animal rights, human rights, civil rights. There are plenty of rebels and dissidents putting their asses on the line. Conversely, there s never been a shortage of reactionaries seeking to repress such vision and passion. Learning how to fight and/or defend yourself is not the same as promoting belligerent, anti-social behavior. While talk of non-violence is understandable and the struggle for peace has never been more essential, let s face it: The odds are that sooner or later you re going to end up in a confrontation that may escalate into physical violence. So, why not be prepared? Self-Defense for Radicals will get you off and running in the right direction. From eye gouges to groin punches--you ll find a powerful collection of tactics with which we can fight back. Interspersed with words of wisdom and guidance from Emma Goldman, Bruce Lee, Angela Davis, and even Patrick Swayze, this pocket-sized pamphlet will inspire readers to not only speak truth to power but also deliver a sharp elbow to power s jutting jaw.
