Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Another World: Or, the Fourth Dimension When we come, however, to further details of this higher world, we have every diversity of belief and superstition. The only account and description of it to which we, as Christians, attach any credence, is found in the Bible, a book which we regard as a revelation of its rulers, inhabitants, and laws, given to man by the supreme Ruler, not only of the spiritual, but of our material world, God. In our own persons we get confirmation of the existence of a higher sphere, in being able consciously to distinguish between our spiritual, intellectual, and moral selves and our bodies and brains, through which we act and by which we live. Materialists will, we know, have none of this. To them, if true to their creed, there is, and can be, nothing beyond the material.
