AUTHORHOUSE, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The world is facing great changes. We have to prepare ourselves for what lies ahead. The type of book that I have written is becoming more demanding with the population all around the globe. The reason is, people are looking for answers. They are not happy with their lives because something is missing from life and with the state the world is in, like in the Middle East, where wars are still continuing. Atrocities on a grand scale are happening every day-the beheading and murder of innocent men, women, and children. A lot of people are turning to drugs and alcohol, especially the younger generation. And now we are faced with the ISIS threatening to take away our freedom, This can never be allowed to happen. My book offers answers as to why life happens in the first place, why we have a life, and the reasons why we are all here. My book could change your life. I m sure you will find it helpful, and some of your questions answered, if not all. God bless you all. -Eileen Veronica Richmond.
