

Summer versus School: The Possibilities of the Year-Round School (Hardback)

By James Pedersen

ROWMAN LITTLEFIELD, United States, 2015. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. As American educational reformers continue to find innovative ways to address the global achievement gap, many experts seem to agree that increasing instructional time is a viable option. In addition to extending the school day, some educational leaders have looked to modifying the traditional academic calendar to address some of the academic losses that occur when students have 8-10 weeks of summer vacation each year.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
