Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

SIMON SCHUSTER, United States, 2008. Paperback. Book Condition: New. Reprint. 211 x 140 mm. Language: English . Brand New Book. One of today's most admired and controversial political figures, Ayaan Hirsi Ali burst into international headlines following the murder of Theo van Gogh by an Islamist who threatened that she would be next. She made headlines again when she was stripped of her citizenship and resigned from the Dutch Parliament. *Infidel* shows the coming of age of this distinguished political superstar and champion of free speech as well as the development of her beliefs, iron will, and extraordinary determination to fight injustice. Raised in a strict Muslim family, Hirsi Ali survived civil war, female mutilation, brutal beatings, adolescence as a devout believer during the rise of the Muslim Brotherhood, and life in four troubled, unstable countries ruled largely by despots. She escaped from a forced marriage and sought asylum in the Netherlands, where she earned a college degree in political science, tried to help her tragically depressed sister adjust to the West, and fought for the rights of Muslim women and the reform of Islam as a member of Parliament. Under constant threat, demonized by reactionary Islamists and politicians, disowned by her father, and expelled from family and clan, she refuses to be silenced. Ultimately a celebration of triumph over adversity, Hirsi Ali's story tells how a bright little girl evolves out of dutiful obedience to become an outspoken, pioneering freedom fighter. As Western governments struggle to balance democratic ideals with religious pressures, no other book could be more timely or more significant.
