\*\*\*\*\*. Mythology holds up a mirror to our inner life as humans, showing us how our personality and choices affect our lives.

Myths of partnership not only impart wisdom about male-female relationships, but also about the balance of male and female qualities within us as individuals. These stories from

Greek (and one Egyptian) mythology are fascinating tales not only of love relationships, but also of the human quest for

wholeness within. Zeus and Hera are the perennial love/hate

couple. Isis and Osiris bring new life out of tragedy. Jason and Medea show us what manipulation is like. Theseus and Ariadne

deal with abandonment. Perseus learns to integrate his

feminine side as part of his heroic quest. Psyche and Eros

mature through the trials their union produced. Shirley Kiefer retells these stories with new insight for our time. A retired

librarian with a background in world religions, mythology and

psychology, she helps us see their characters as parts of

ourselves, giving us glimpses into these archetypal forces we all experience. Whether you read these as literal...
