Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Great Tree: On Boston Common At a meeting of the Boston Society of Natural History some time since, the age of the large elm on Boston Common became accidentally a subject of discussion. On this discussion, it appeared there was some difference of opinion, which led the writer of these remarks to make inquiry into the facts, and endeavor to ascertain the age of the tree. This inquiry seems to be of no great importance at first view; but, independently of serving for the gratification of a proper curiosity, it may assist us in establishing the period of the duration of this valuable ornament to our country. We propose, then, to notice this tree, not because it is a larger tree than any other in the country, nor because it is older or taller. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
