Voyageur Press Inc, United States, 2014. Paperback. Book Condition: New. Revised. 251 x 201 mm. Language: English . Brand New Book. If you raise livestock or crops, you ll need a fence. Good fences are critical to success. They protect your animals (and plants) and keep them at home, and they can also minimize the damage done by pests and predators. In **Farm Fences and Gates**, you ll learn how to build and repair the fences you need and make the difference between a world of trouble and peace of mind. Wood posts or steel, wire mesh, barbed wire, chain link, or rail, this book will help you figure out what kind of fence is appropriate and how to plan its construction. Useful diagrams and charts help you estimate how much material you ll need and how to go about installing and maintaining a solid, dependable fence. Writer and farm consultant Rick Kubik offers clear and expert advice on what works best in certain areas and for particular purposes. His instructions for planning and constructing each variety of fencing take the guesswork out of a job of critical importance to most landowners (and their neighbors). **Farm Fences and Gates** is the first and most essential tool for anyone thinking of building a fence. This complete guidebook will save time and money for beginners and seasoned builders alike by explaining how to do the job right the first time around.
