AN ASTONISHINGLY FREE SALVATION

One World Press. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 8.4in. x 5.5in. x 0.4in. If for veteran Christians the doctrines seem repetitious, someone who understands salvation correctly will always find delight reading its repetition, for the grace of God which brings salvation will always be music to his or her soul. Such a book could explore all the details and fine nuances of the subject, but as professional theologians are aware, this would require several volumes. It seems more helpful to write a book short enough that people will not be intimidated by its length yet comprehensive enough to deal with issues of major concern to the largest number of readers. The book...
