Cult novel, Carla is an introspective, moody and chilling romance novel with its roots firmly grounded in the work of the great pulp writers of the fifties, particularly Jim Thompson, to whom the book is dedicated. It is a book for adults and for those who have lived through the occasionally bloody battlefields that are the relationships between men and women. The book may also interest those in mixed age relationships (in either role) or those who suffer (or is related to someone who suffers from) Borderline Personality Disorder. Paperback: The paperback in particular is striking looking and with Kindle Match, you can get a FREE e-copy so you never have to bend the cover. It is perfect for coffee tables and bookshelves, with a glorious looking spine. The typeface is an easy reading font and there is plenty of clear cream space. Its an easy, fast paced page turner which doesnt overstay its welcome and leaves, according to reviewers, a lasting imprint on the consciousness. So far, the book has gained 17 5 reviews and a cult following. Comments from people who have read the book appear all over the Net. EVERY single review of Carla, whether the reader likes the theme or not, has commented on the quality of the writing. This second edition has been even further improved by micro-editing and the book raises the Indie standard further. The Carla paperback is an ideal present. Small, compact and able to fit in a clasp bag, it is ideal for Secret Santa, beach holidays, air travel and christmasbirthday gifts. It is also cheap enough to buy as a spontaneous present for someone you like. (Or love)....
