This a sequel to Gated is a nerve-fraying contemporary young adult thriller that will make readers question loyalties as it twists truths. Her life was based on a lie. Lyla Hamilton almost died escaping the Community. In her new life, the outsiders call the Community a cult. They don't understand how easy it was to believe. How good it felt to belong. Normal life high school and dating is harder than Lyla expected. Who should she love Who should she hate The Community is willing to do terrible things to bring her back to the fold. The members are still preaching Pioneer's twisted message that the end of the world is near. Publishers Weekly A good choice for reluctant readers. After the last page is turned, the question will linger: Could I ever be deceived like this School Library Journal A well-rounded and thorough look into cults while still remaining entertaining throughout. I look forward to reading more of Parker's works in...
