Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Since the time of the Reformation Protestant Christians have held that God reveals himself to his people through the Bible. The importance of the Bible has remained central up to the present day among most Protestant Christians. Knowledge of the Bible is basic to the Christian life. But biblical literacy is low in the United States and it's getting worse. A 2007 Vatican survey revealed that only 17 percent of Americans could answer 7 basic questions about the Bible's contents and authorship correctly. A number of other recent surveys reveal declining knowledge of basic facts such as who delivered the Sermon on the Mount and who the twelve apostles were, to the point that modern high school and college students are not able to identify biblically based metaphors in literary works written prior to 1950. In this work Dr. Keith Cox offers a brief introduction to the plan of salvation contained in the Bible from Genesis to Revelation.
