America Star Books, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.These are fictitious stories about five ghosts by Deb Brainard. The first ghost is a black girl named Naomi in an old house I had moved into. She came to live there with her family by the underground railroad to Mr. and Mrs. Holbrook's home who had taken her family in. She needs help with putting her body with the rest of her family so she can join them and her spirit be set free. The second ghost is my grandfather Mr. Hallsworth, he was a hermit and very eccentric. Because my mom had divorced my dad, I didn't know at first he was my grandfather. He lived in a six room shack with two cats Lucky and Lucy. When he died he left me a trust of one million dollars and all the money he had in his house. The third ghost is about a woman named Goldie who went screaming through the woods behind our house. June, my sister and I, help her spirit free. The fourth ghost is Al's grandmother Nellie Bell, she visits my daughters and ends up saving our lives. The fifth ghost is my nephew, Sergeant Richard Jameston, a Michigan state police officer that gives me a warning about a terrorist attack from Al-Qaida and not to go shopping with my sister in laws, sisters, mother, and mother in law. I don't heed the warning and go anyway.
