

## Miners, Peasants and Entrepreneurs: Regional Development in the Central Highlands of Peru

Filesize: 1.85 MB

### ***Reviews***

*Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.*

*(Dr. Rashawn Lang)*

## MINERS, PEASANTS AND ENTREPRENEURS: REGIONAL DEVELOPMENT IN THE CENTRAL HIGHLANDS OF PERU

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This volume traces the development of the central highlands, one of Peru s major mining regions. It draws on extensive fieldwork carried out in Peru between 1970 and 1982, spanning a reforming military government, reaction and a return to civilian politics under Belaunde. Through historical material combined with field studies of villages and of the major town of the region, Huancayo, the book examines the economic and cultural processes underlying the progressive reputation of the region in Peru and in the literature on development. Since the major enterprise of the region, the Cerro de Pasco Mining Corporation, was, until the 1970s, foreign owned, a persisting theme is the type of economic growth associated with and the distortions produced by, foreign capitalist economic enclaves on predominantly peasant economies. The political consequences are examined, showing the weakness of regional interest groups and the failure of contemporary regional development policies.
