

Advanced Primer of Sidereal Astrology

By J K Goodwin

Createspace, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.We live in a cosmic ocean of planetary and stellar vibrations. The great Vedic sages realized just how astro-realities worked and produced formulas accordingly. These formulas, in conjunction with time, constitute the basic principles of sidereal astrology. A man or woman with sidereal knowledge will know where to invest the required effort that can produce a successful result, because he or she will better understand the laws that are operative in nature. If he or she can utilize sidereal knowledge after having received it, life will proceed downstream in a smoother way than otherwise. This book leads you past any and all superficialities; it acts as a springboard for further enlightenment, culminating in a kind of rejuvenation. There is revolutionary knowledge transmitted here, and this is your opportunity to really take advantage of it. An advanced primer in the sidereal science is now presented in a clear and concentrated way.

Reviews

It is one of the most popular publication. It really is written in easy words and not difficult to understand. You are going to like how the author wrote this book.

-- **Prof. Evans Balistreri DDS**

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.
