Building Strong Music Programs uniquely focuses on music programs in the public school community, providing strategies and tools for developing a vibrant music program and building community support. Build a repertoire of tried-and-true strategies covering curriculum, classroom management, special needs, concerts, assessment, budget, and more that are based on years of teaching at all levels. While program building is an essential, time-consuming part of every music teachers job, students are rarely prepared for it. The questions for discussion and student assignments make this an excellent choice for preservice teacher training courses.
