Note on Fungi from Newton Cap Colliery.--None of our members have, I believe, paid any attention to the Fungi, and it is much to be desired that some one not afraid of honest work, and at a loss for a subject on which to exercise himself, would take up this unwrought field of research. The subject, except perhaps amongst the microscopic forms, would not be beset with any very serious difficulties. The recent publications of the Eev. M. J. Berkeley, the first living authority on this branch of botany, have much smoothed the way for students of the English species. His Outlines of British Fungology, together with the...
