Watkins Media. Paperback. Book Condition: new. BRAND NEW, The Healing Power of Angels: How They Guide and Protect Us, Ambika Wauters, The Healing Power of Angels is major and highly original addition to an increasingly popular publishing genre. The book will help readers heal themselves of every kind of stress and dysfunction by tapping into the healing powers of angels. Uniquely, the author presents angels in terms of an inner realm with a distinct spiritual hierarchy: nine levels of angels residing in the three levels of heaven. While based on traditional theology, this system offers a thoroughly effective way for the human mind to grasp the benevolent powers that angels can make available to all of us. We learn how angelic forces work in the human energy system, especially the chakras, to benefit our personal development and spiritual evolution. This book is aimed at everyone who is fascinated and moved by the notion of angels or is interested in making new discoveries in the realm of the spirit. It will be immensely helpful to all healers and all those interested in understanding energy fields. The meditations, affirmations and prayers that punctuate the text provide a practical dimension for interactive work, and there are also profound reflections that will change the way we think about ourselves - and move us many steps closer to spiritual understanding.
