Samhain Publishing Ltd, United States, 2009. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.He has everything to gain by letting her in. And everything to lose. Richard and Rose, Book 2 Now that she s engaged to Richard, one of the most admired-and passionate-men in society, shy, awkward Rose Golightly can finally hold her head high. She never anticipated that her elevated position would make her the target of a dangerous gang of smugglers. Behind Richard s aloof, sophisticated facade lies a man of shrewd intelligence, fierce loyalty, and deep devotion to those he loves. He s willing to fight fair when necessary, dirty when cornered. Rose is one of only two people he trusts. All she s ever asked of him is that there be no secrets between them, but there are a few lingering dark corners he s reluctant to reveal. Now, Rose s childhood friend has made a stand against the smugglers that rule the coast, unwittingly putting Rose in danger. With her life at stake, there s only one way Richard can save her-even if it means his bride has to trade her wedding gown for widow s weeds. Warning: This series is addictive. Passion and murder are a potent mix.
