Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****."Whose Little Black Book do you have?" The Little Black Book is most famously understood as a Booty Call book. But, in this 21st century version, wisdom and knowledge are the key to opening doors. This book contains 142 quotes from George Lucas. Why quotes? Because as the famed Chriswell Freeman said, "Quotations help us remember the simple yet profound truths that give life perspective and meaning. When it comes to lifes most important lessons, we can all use gentle reminders." And thats what this book does. Its a tool to help us become the best version of ourselves that we can be. Not all of the quotes in this book will apply to everyone all of the time. So, read it. Re-read it. Keep it where you can see it. Sleep with it. Carry it with you. Show it to your friends. Use it in the face of your enemies. And if all that fails, use it as a coaster to protect your coffee table from condensation. As with bathing, motivation is recommended daily; so heres your motivational hot shower from the one and only George Lucas. May the wisdom of one of the greatest minds, become yours.
