

The Farnes and Holy Island: A Comprehensive New Dive Guide

Filesize: 2.37 MB

Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

THE FARNES AND HOLY ISLAND: A COMPREHENSIVE NEW DIVE GUIDE

Whittles Publishing. Paperback. Book Condition: new. BRAND NEW, The Farnes and Holy Island: A Comprehensive New Dive Guide, Ron Young, Following the successful previous book, this new and expanded edition is the most informative and comprehensive book available, particularly for the diving fraternity, and will be essential for divers wishing to experience the rich underwater heritage around the 28 Farne Islands. However, it is not only a diver's guide to the Farnes underwater and the surrounding wrecks, as it will also be a must for visitors to the islands with the wealth of information on the area's history and wildlife. The author has dived every one of the 178 sites and explains what can be seen at each one. This includes the little-known underwater Nature Reserve, north of the North Wamses Island in the Outer Farnes. For ease of location, WGS84 GPS coordinates have been introduced in this new edition for many of the sites. The book also benefits from a vast amount of technical detail and history about the 50 or so extra shipwrecks that have been added to this new edition, many of which can be easily reached from Seahouses and Beadnell harbours. Another major plus for divers who are unfamiliar with the islands' tides, currents, general depths, wrecks and marine life is the author's star rating for each site, so that divers will waste no time in selecting the right and most suitable dive site. Other interesting features include the sometimes bizarre but fascinating history of the islands and the local villages of Bamburgh, Seahouses and Beadnell, together with information about the local seabirds, wildlife, seals and marine life.
